

ALASH ENSEMBLE CONCERT

Tuesday, October 17, 2017

Time: 7:00pm-9:00pm

New Russia Cultural Center

1550 Broadway Rensselaer NY 12144

Admission: \$25, \$20 (Friends Circle)

A Unique Concept of Sound! The Ancient Tradition!

Tuva, a tiny region of Siberia, Russia is a giant when it comes to mastery of the human voice. Throat singing is an ancient style of overtone singing in which a single vocalist produces two, three, or even four pitches simultaneously, skillfully shaping a melody from harmonic tones arrayed over a continuous low drone. Nothing in western vocal music resembles this ethereal sound.
